A Word from Pastor Bryson...

Grace and Peace to all who receive this CSUMC Weekly Connection! Though we are not worshipping in-person we are still being the Church. We continue to serve God. And most importantly God is still God and in control, Jesus is still our Lord and Savior and the Holy Spirit is present and powerful. We should stand strong knowing we are God's Children and God loves us.

We are worshipping on-line only for the next two weeks. On September 27 we will return to in-person worship with services at 8:30 and 10:30. We will continue to offer the service on Facebook and our Church website even when we return to in-person worship. We continue monitoring the Covid-19 Coronavirus situation closely as we look forward to returning to in-person worship.

The Lay Leadership committee (Nominations) is beginning work to fill committee positions in the Church for 2021. If you are asked to serve I ask that you prayerfully consider the opportunity. There are a number of positions available. When we join the Church we agree to faithfully participate in the ministries by prayers, presence, gifts, service and witness.

I encourage everyone to consider a donation for Epworth Children's Home. The Annual Work Day Offering is one of the two offerings we collect for Epworth during the year. Epworth is doing okay financially, one area where finances are low is in donations from Churches. Make checks payable to Carteret Street UMC and note Epworth in the memo line.

As part of our Safe Sanctuary policy it is time to renew background checks on everyone who might work with Children and Youth. We are attempting to reach out to all, if we have missed you please let us know and we will get you the forms. These background checks are very important to ensure the safety of the Children of our Church and community. Any questions please let me know.

Please be in prayer for our Church, our Nation and our Community. Pray for health and peace and that we come to see the light of Jesus. Pray for our students and teachers.

If anyone needs anything please call the Church Office.

"SO YOU WANT TO TALK ABOUT RACE"

"With so much in the news about racism, it can be hard to know where to start in such difficult, polarizing conversations. Ijeoma Oluo's So You Want To Talk About Race engages with a variety of important topics and themes, ranging from the interpersonal ("Why can't I touch your hair?") to the systemic ("What is the school-to-prison pipeline?"). It offers us key foundational definitions ("What is racism?") and it invites us to turn insight into action ("Talking is great, but what else can I do?"). This 10-week virtual book study will provide a safe space to talk about race and our own call as Christians in the midst of racism.

*NOTE: In this book you may encounter a few moments of graphic language and an unexpected expletive or two. This is part of the authentic and conversational voice that this author brings to the table. It may be familiar to us or it may be uncomfortable for us. Either way, we hope that this will not distract from your engagement with this important text and study.

Zoom meeting link will be provided in the confirmation email upon registration. Please register only the household member whose device will be used for the virtual meetings.
