COVID Information

At Carteret Street UMC we strive to maintain a safe environment for everyone to come for fellowship and worship. The Coronavirus Covid-19 has been very challenging for each of us. I must say that I am very proud of how we have responded as a Church to the crisis. We have continued to be the Church of our Lord Jesus through these tough times. I am also pleased that we have done a lot of hard work offering in-person worship and online worship. Our membership has also worked very hard to comply with masking and distancing requests from the Church.

Positive tests for Covid-19 coronavirus cases are now at their highest levels since testing began according to SC DHEC data. Due to this increase we are going to return to sectioning off our Sanctuary for social-distancing. We also encourage everyone to wear a mask. We have a supply of masks if anyone needs one. If anyone is having symptoms or feels uncomfortable worshipping in-person; please remain at home and worship with us online. If anyone is in Covid-19 quarantine or is experiencing symptoms please stay home and let us know what we may do to help you.

We may change our procedure in the future and will communicate with everyone if we change our policy. I thank everyone for their diligence in this situation and we appreciate all of the prayers and support.

Pastor Bryson

Walk for Water/Beaufort County Water Mission

Carteret Street family and friends, please join us October 9, at Live Oak Park in Port Royal to walk as a group in support of Walk for Water/Beaufort County Water Mission. To register visit walkforwater.com, then scroll down to Beaufort County, October 9. Type in Carteret Street UMC in the Team search. Follow the menu to register and pay the \$20.00 registration fee which includes your Tee-Shirt.

If you would like to register but are unable to use online registration, you may drop your \$20.00 fee by the church with your name address and Tee-Shirt Size in an envelope marked Water Mission. The Walk for Water Team will gladly register you.

Participants will walk a 3-mile walk to symbolize the burden millions of women and children in developing countries carry daily to collect water that's often contaminated. A person dies from water-related illnesses every 37 seconds somewhere in the world. If you are unable to walk but would like to attend, we will have golf carts available for you to ride the route.

Beaufort County Walk for Water promotes awareness of the global water crisis while raising money to provide sustainable safe water around the world. All money raised benefits Water Mission a nonprofit Christian engineering organization based in Charleston that builds safe water solutions in developing countries and disaster areas.

As our Carteret family and friends walk together in a time of fellowship, please invite others to register and join us as we bring awareness of Water Mission to the community.

Snacks Needed for Beaufort Nursing and Rehab (BayView Manor)
